The amateur commission granted the franchise which was given to the Pumping Station earlier in the season. Silver Spring is to make its debut on Thursday against the American Security and Trust team.

All amateur games were called off yesterday on account of the wet grounds. The fact that the majority of the games will be called off today makes practically a four-day rest for the am-

## Political Nines Are Keeping in Practice

Members of the Democratic and Republican baseball teams which clash at National park next Saturday afternoon for the benefit of the Boy Scouts and Playground's Association, are holding daily practice. Representative Miller of Kansas, gives assurance that every member of the Republican team that is now in Chicago attending the convention will be in the Capital City in time for Saturday's game.

PHILADELPHIA, June 18.—Samuel F. Gordon, of the Vesper Boat Club of Philadelphia, will be the only competitor from the United States in the rowing races at Stockholm. He plans to sail June 20. The course to be used for the Swedish regatta will be mapped out on a small lake about a mile and a half long. It is a lovely spot. The course is straight for 1,700 out of 2,000 meters and were it not for a spiral curve near the finish would be better than the English Henley. It is dead water and much more sheltered from wind than the English course. It is an ideal place for sculling. There is a road and a path along either of which it is possible to follow the races from start to finish. The trip only a few minutes' ride from Stockholm.

The greatest Umpire in the Shoe League, whose decisions always please everybody.
